FOR AN INTERNATIONAL FUTURE

For more than 20 years, the **Fénelon-La Trinité School** has endeavoured to develop original, tailored programmes for the teaching of modern foreign languages, aimed at families seeking high-quality education for their children that opens their eyes to the world.

BRITISH INTERNATIONAL SECTION

Sixième-Terminale (11-18 years)

As of September 2019, the School is proud to offer an international British section which enables the students to sit the international option both for their brevet and their baccalauréat (OIB). Underpinning this section is a clear ambition to promote full bilingualism and biculturalism among our students.

- ⊕ English Literature (4hrs by native anglophones)
- ⊕ History and Geography (2hrs by native anglophones)
- ⊕ Physical Education in English
- ⊕ Preparation for Cambridge exams (A2 Key, B1 Preliminary, B2 First)
- ⊕ Preparation for the DNBI, BAC OIB

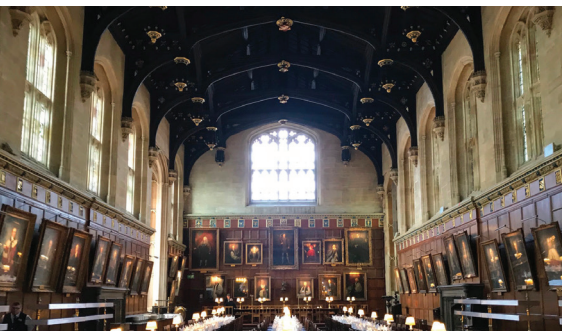

GERMAN AND ENGLISH EUROPEAN SECTIONS

Seconde-Terminale (15-18 years)

The European Section is an academic programme enabling students to get the baccalauréat with an extra 'European' speciality.

- ⊕ German section: +2 hrs History and Geography in German
- ⊕ English section: +2 hrs Maths in English

BOOST YOUR ENGLISH EXCEL IN ENGLISH

Sixième-Terminale (11-18 years)

We offer these supplementary English lessons.

- ⊕ 1hr30 to prepare for the Cambridge exams (A2 Key, B1 Preliminary, B2 First)

GERMAN COSMOPOLE

Sixième-Terminale (11-18 years)

This programme enables students to learn two languages simultaneously and in depth. In addition to the standard academic programme, students benefit from:

- + German language, culture and literature (11-15 years, **4 hrs** with native teachers)
- + Preparation for the **Goethe Certificate** exams (15-18 years)

SPANISH COSMOPOLE

Sixième-Terminale (11-18 years)

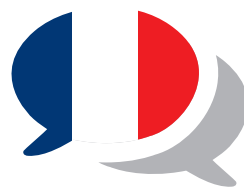

This programme enables students to learn two languages simultaneously and in depth. In addition to the standard academic programme, students benefit from:

- + Spanish language, culture and literature (11-15 years, **4 hrs** with native teachers)
- + Preparation for the **DELE** exams (15-18 years)

FRENCH AS A SECOND LANGUAGE

Sixième-Terminale (11-18 years)

This programme teaches French to students whose first language is not French. This is an intensive course facilitating students' integration in France's culture, society and education system.

- + French as a Second Language (FLE) option from 11-18 years for non-French natives + preparation for the **DEL F** exam.

CLASSICS (LATIN AND GREEK)

Cinquième-Terminale (12-18 years)

The school also puts an emphasis on the learning of ancient languages, as much from a linguistic point of view as from a cultural and socio-historical point of view. All students have an initiation to Latin and Greek in cinquième (12-13 years) and the option to continue throughout their secondary education.
